Overview

SAT Logistics and Trading PLC is transportation and logistics provider in Ethiopia and beyond. Our company provides services including international freight forwarding, customs clearance, and project cargo transport.

Our mission

- SAT Logistics and Trading PLC offers comprehensive solutions for a wide range of industries, including but not limited to manufacturing, energy production, data mining cargo, industry parks, solar companies, wing energy farms, retail, garment industry, and special heavy project cargo handling.
- In addition to freight forwarding we give logistics consultancy services to streamline supply chains and enhance our customer's satisfaction.
- Our purpose is to effectively support the goals of private companies, manufacturers and governmental institutions in improving logistics capacity access, lower freight tariffs and improving service quality.

Our Principles

- **Partnering with Stakeholders:** We position ourselves as trusted allies, prioritizing simplicity, dependability, and a client-first mindset in every collaboration.
- **Empowering Our Workforce:** Success is built on unity, we foster teamwork, encourage cooperation, and provide strong support systems for our employees.
- **Driven by Excellence:** Our operations are anchored to national and world-class standards, ensuring efficiency, consistency, and speed across all services.
- **Future-oriented:** Progressive attitudes, growth-focused
- **Commitment to Sustainability:** We uphold ethical practices and compliance, integrating advanced environmental safeguards into our operations.

Founded in 2023, SAT Logistics and Trading PLC is dedicated to provide specialized transportation and customs clearance services to ensure seamless movement of goods, from point of origin to final destination.

Our mission is to provide comprehensive logistics solutions that meet the diverse international logistics needs of our clients.

Our Team's Capability

Local Expertise: Profound understanding of Ethiopia's transport regulations, policies, and infrastructure.

- Seamless Coordination: Experience in pre-forwarding processes, ensuring efficient customs clearance and document handling.

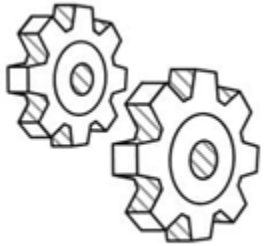

- Our logistics team uses innovative strategies and collaborates with customers to anticipate issues and adapt to changes, ensuring seamless operations and timely deliveries with minimal disruptions.

- Strong Partnerships: Collaborations with Ethiopian customs authorities, shipping lines, and freight forwarders.

- Client-Centric Approach: Customized solutions to meet your logistics needs.

Delivered Projects

Our company has played a significant role in the transportation of capital goods for some of Ethiopia's most notable infrastructure projects, including the Grand Ethiopian Renaissance Dam (GERD) Project, Ethipian Airlines projects, Power generation projects like Gilgel Gibe, and various various infrastructure Projects.

Through these engagements, we have demonstrated our commitment to excellence, reliability, and contributing to Ethiopia's economic and infrastructural development.

Our Expertise in Transportation

We have established strong working relationships with some of the nation's largest organizations. Our portfolio includes successful collaborations with the Ethiopian Electric Utility, Ethiopian Electric Power, many industry parks like Hawassa, Dukem, Adama, Arerti, Tulufa, Debrebirhan, the Ministry of Finance, and construction companies among others.

We have extensive experience in transporting a wide range of specialized and heavy-duty equipment, including heavy machinery, generators, bulk loads, large-scale project cables and accessories, as well as self-drive vehicles.

Location Range & Experience

We have successfully transported goods and materials to various regions across Ethiopia, including Hawassa, Dire Dawa, Dilla, Bahir Dar, Guba (GERD), Adama, Assela, Jimma, Lalibela, Jijiga, Mekelle, Addis Ababa, Kombolcha, and many other locations.

Our extensive experience in logistics and transportation has allowed us to work effectively with diverse cultures and communities throughout the country.

We pride ourselves on our commitment to timely delivery, consistently completing projects within the agreed-upon deadlines, regardless of the complexity or geographical challenges involved.
